3. Inspections

1. Scope of AE activities permissible in the region

SOUTH STAFFORDSHIRE WATER PLC recognises the Water Industry Accredited Entity Scheme (WIRSAE) and will allow accredited entities under this scheme to carry out the following defined activities on behalf of a Retailer:

1. Temporary Disconnection and Re-Connection of Non-Household Premises up to and including 40mm sized supply.
2. Temporary Disconnection and Re-Connection of Non-Household Premises over 40mm sized supply.

2. Disconnections/Reconnections

No additions to the Code of Practice.

3. Inspections

SOUTH STAFFORDSHIRE WATER PLC reserves the right to inspect Accredited Entity work at any time.
